## Introduction

Jharkhand Renewable Energy Development Agency (JREDA) is an autonomous body under the Societies Registration Act 21, 1860 registered on 19th February 2001 for the development and deployment of New and Renewable Energy resources for supplementing the energy requirements of the state and to generate public awareness in facilitating deployment of new and renewable energy systems. JREDA is a state nodal agency for the implementation of renewable energy projects by means of financial incentives made available by the Ministry of New and Renewable Energy (MNRE), Govt. of India and Government of Jharkhand and State Designated Agency (SDA) for implementation of Energy Efficiency projects by means of financial incentives made available by Bureau of Energy Efficiency (BEE).

Jharkhand Renewable Energy Development Agency (JREDA), the State designated agency (SDA) in the State of Jharkhand under Department of Power, Government of Jharkhand, to coordinate, regulate and enforce the provision of the Energy Conservation Act-2001 and implement schemes under the Act within the State of Chhattisgarh. This is a significant step forward for JREDA having additional responsibility of promoting energy efficiency and developing energy conservation projects besides facilitating renewable energy development within Jharkhand State.

For the creation of a conducive environment for the development of Solar Energy in the state, State Government had notified new solar policy on 10th August 2015. The policy titled, "Jharkhand State Solar Power Policy 2015" would remain in operation till 5 years or till the issuance of any new policy. Solar Power Projects commissioned under this policy would be eligible for the incentives declared under this policy for 10 years. State has huge potential for rooftop solar deployment, seeing the potential

Rooftop Solar which would be a For the promotion of rooftop solar programmes and to bring investment in rooftop solar market in the state, state government had released policy titled "Jharkhand Solar Rooftop Policy, 2018" for stakeholder's comments. Rooftop specific solar policy covers clauses of mandatory installation and virtual net metering which may help peaking up of the solar rooftop installations and making Jharkhand a self-sustained solar market.

JREDA is exploring opportunities for development of other renewable energy sources like Small Hydel Plants (SHPs), Biomass plants etc. The specific training and information must be accessible to all the sections concerned with the planning, execution and implementation of Renewable energy initiatives. The end user needs to be provided with up-to-date information access and training modules for seamless integration of Renewable Energy initiatives with the present practices and processes.

Skill development for workmen/ technical staff often requires demonstrative approach involving exposure of the participants to the best practices. It is quite useful for participants to get involved and pick up new ideas during the training program and take up a practice-oriented exercise and present their results to the co-participants and faculty.

The proposed activity shall adhere to the following:

- 2 days Theory- cum- practice oriented training program for solar technicians Single Village Piped Water Supply Scheme.
- The maximum number of candidates for any 2 days training program shall be 30 nos.

- The Training program shall cover (but not limited to) the following focus areas:
  - a. **Introduction**
    - i. Global and Indian Energy Scenario
    - ii. Introduction to Solar Cell, types and behaviour
    - iii. Construction of PV module
    - iv. Demonstration of different types of Solar PV cell
  - b. Supply of Solar panel as per MNRE Guideline
    - i. Identify and understand the Standards for selection of modules
    - ii. Standards, certifications and warranties
  - c. **Solar panel characteristic and performance**
    - i. Electrical characteristics of PV module
    - ii. Output of PV module to variable irradiation and temperature
    - iii. Reading Datasheet of a PV module
    - iv. Hands-on : PV Module IV Characteristics
  - d. **Installation of solar PV panels**
    - i. Solar Radiation, Spectrum and Beam / Reflected Light
    - ii. Standard Test Conditions
    - iii. Sun Position, Collector Angle Optimization
    - iv. Shadow effect on solar PV module output
    - v. Identifying safe distance for avoiding shadow
    - vi. Estimating shading loss for installation site
    - vii. Different tools for shading analysis
  - e. **Operation and Maintenance**
    - i. What is O&M
    - ii. Parts of O&M
    - iii. Challenges to O&M
    - iv. Factors that affect cost of O&M
  - f. **Safety measurements checklist**
    - i. General Safety
    - ii. PPE
    - iii. Specific Safety
    - iv. Grounding and Earthing protection
    - v. Over Current and Short circuit protection
    - vi. Installation Safety

WHEREAS ..... (Consultant's name) (hereinafter referred to as "Consultant"), a company registered under the Companies Act, 1956 and having its registered office at ..... is required to deposit with you, the Purchaser, by way of Performance Guarantee Rs. .... (Rupees..... only) in connection with its tender for the work with reference to Notice Inviting Bid (NIB) No. .... dated ..... as per specification and terms and conditions enclosed therein.

WHEREAS the Consultant as per "Notice Inviting Bid, point no. 1.1.38 (Section-II)- Performance Guarantee" has agreed to establish a Bank Guarantee in Your favor through us valid up to..... (Date) instead of deposit of Performance Guarantee in cash.

WHEREAS you have agreed to accept a Bank Guarantee from us in ..... instead of Performance Guarantee in cash from the Consultant.

1. We ..... (Bank) hereby agree and undertake to pay you on demand the said amount of Rs. .... (Rupees..... only) without any protest or demur in the event the Consultant/Tenderer after submission of his tender, resiles from or withdraws his offer or modifies the terms and conditions thereof in a manner not acceptable to you or expresses his unwillingness to accept the order placed and/or letter of intent issued on the Supplier/Tenderer for the work under "NIB No.: /JREDA/CS/18-19".
2. Your decision as to whether the Consultant/Tenderer has resiled from or has withdrawn his offer or has modified the terms and conditions thereof in a manner not acceptable to you or has expressed his unwillingness to accept the order placed and/or Letter of Intent issued by you on the Consultant/Tenderer for the work under "NIB No.: /JREDA/WS/18-19" in this regard, shall be final and binding on us and we shall not be entitled to question the same.
3. Notwithstanding anything contained in the foregoing, our liability under this Guarantee shall be restricted to Rs. .... (Rupees ..... only).
4. This Guarantee shall remain valid and in full force and effect up to ..... (Date) and shall expire thereafter unless an intimation is given to the Bank by you earlier in writing discharging us from our obligation under this Guarantee.
5. We shall not revoke this Guarantee during its currency except by your consent in writing.
6. This Guarantee shall not be affected by any change in the constitution of the Consultant/Tenderer or yourselves or ourselves but shall ensure to your benefit and be enforceable against our legal successors or assignees by you or your legal successors.

7. Notwithstanding anything contained herein above unless a demand or claim under this Guarantee is made on us in writing within six months from the date of expiry of this Guarantee we shall be discharged from all liabilities under this Guarantee thereafter.
8. We have power to issue this Guarantee under our Memorandum and Articles of Association and the undersigned who is executing this Guarantee has the necessary power to do so under a duly executed Power of Attorney granted to him by the Bank.

Signed and Delivered For and on behalf of ..... Bank.
