## **CORRIGENDUM I**

JREDA has decided to make amendment in the NIB No. **22/JREDA/SPV/SSLs(LED)/22-23** for Rate Contract for the work of Supply, Installation, Testing & Commissioning including 5 years Comprehensive Maintenance Contract (CMC) of 12W/20W/30W/40W/White LED based Solar Street Lighting Systems (SSLs) with Lithium Ferro Phosphate Battery under Solar Photovoltaic Programme on Turnkey basis across the state of Jharkhand.

In view of the Clause No. 6 of Section-5 of NIB, which states that Project Cost will be divided into Supply, Installation, Commissioning as one part and CMC as second part. Rate of second part will automatically be 20 % of complete Project cost (1st Part+ 2nd Part), Price BOQ has been amended. Now bidders have to quote only rate for supply, installation & commissioning and any other related charges. CMC cost will be automatically as per above mentioned clause.
